

Our basecloth selection consists of environmentally sustainable or organic cloths that are also produced with ethical labour conditions in mind. Our organic cotton & hemp fibre basecloths are all GOTS certified, whereas our linens are Certified Belgian Linen and classed as “eco-linens” or Oeko-Tex Standard 100 class IV certified.

Full specifications for basecloth can be found at:  
[www.inkandspindle.com.au/basecloths/](http://www.inkandspindle.com.au/basecloths/)
